### **Subject:**

Timothy and Diane Lystlund request a change of zoning classification from RU-1-7 to SR. (21Z00014) (Tax Account 3009665) (District 3)

### **Fiscal Impact:**

None

### **Dept/Office:**

Planning and Development

### **Requested Action:**

It is requested that the Planning & Zoning Board conduct a public hearing to consider a change of zoning classification from RU-1-7 (Single-Family Residential) to SR (Suburban Residential).

### **Summary Explanation and Background:**

The applicant is seeking a change of zoning classification from RU-1-7 (Single-Family Residential) to SR (Suburban Residential) for the purpose of legitimizing the vacant parcel to be able to build a single-family home. The applicants have applied for a Small Scale Comprehensive Plan Amendment to change the FLU (Future Land Use) designation from RES 1 (Residential 1) to RES 2 (Residential 2).

The applicants have applied for a variance of 45 ft. from the 150-ft. minimum lot depth requirement for SR zoning. On June 23, 2021, the Board of Adjustment unanimously approved the variance.

The developed character of the surrounding area along Hibiscus Avenue is RU-1-7-zoned parcels developed with single-family homes. The development trend for the surrounding area has been single-family residential for the past 50 years. There have been no FLU changes within the past 20 years.

The proposed SR classification permits single-family residences on minimum half-acre lots, with a minimum width of 100 feet and depth of 150 feet, and a minimum house size of 1,300 square feet.

The parcel is not serviced by Brevard County sewer or water. The closest available Brevard County sewer line is approximately 1.4 miles northwest of the parcel. The closest available Brevard County water line is approximately 0.7 miles northeast of the parcel.

The Board may wish to consider whether the request to SR is consistent and compatible with the surrounding area given the fact that RU-1-7 zoning has been established. Although there is no SR zoning in the immediate area, the Board may wish to recognize the existing development pattern which has been on 0.5 acre parcels.

The Board of County Commissioners will consider the request on **Thursday, August 5, 2021**, at **5:00 p.m.** at the Brevard County Government Center, 2725 Judge Fran Jamieson Way, Building C, 1st Floor, Viera, Florida.
