Requested Action:

It is requested that the North Merritt Island Dependent Special District Board conduct a public hearing to consider a Small Scale Comprehensive Plan Amendment (21S.05) to change the Future Land Use designation from PI (Planned Industrial) to RES 1 (Residential 1).

Summary Explanation and Background:

The applicant is requesting to amend the Future Land Use designation from Planned Industrial (PI) to Residential 1 (RES 1) on 8.25 acres parcel of land. The subject property is currently developed with one (1) single-family residence that was built in 2003 and has a Future Land Use designation of PI that was adopted with the Comprehensive Plan in September of 1988.

Existing development of the surrounding area is generally described as single-family homes on lots ranging in size from approximately one (1) to four (4) acres. The applicant intends to create two (2) flag lots for two (2) single family homes.

A companion rezoning application (21Z00020) was submitted accompanying this request for a Zoning change from Planned Industrial Park (PIP) to Rural Residential (RR-1).

To the north and east of the subject property are single-family residences. To the south and west of the subject property is vacant, undeveloped land. The closest developed industrial parcel (Air Liquide) is located approximately 575 feet to the northeast of the subject property, on the north side of North Courtenay Parkway. Air Liquide purchased the property in 1968. Staff is in the process of reviewing a Vested Rights determination. There have been numerous noise complaints regarding the activities performed at the property.

The Board may wish to consider if the request is consistent with the Comprehensive Plan and compatible with the surrounding area, recognizing the existing development trends.

The Local Planning Agency will hear the request on **Monday, August 23, 2021**, at **3:00 p.m.** at the Brevard County Government Center, 2725 Judge Fran Jamieson Way, Building C, 1st Floor, Viera, Florida.
