### **Requested Action:**

It is requested by the Melbourne Tillman Water Control District that the Board of County Commissioners adopt the attached Resolution approving user fees for the Melbourne-Tillman Water Control District for FY 2021- 2022 and authorize the Chair to sign the Resolution.

### **Summary Explanation and Background:**

The user fees requested and recommended by the Melbourne-Tillman Water Control District's Board of Directors represents a 1.234% increase in the FY 2021-2022 rates for Residential and Commercial, and no increase in Agricultural due to the legislative cap on the agricultural classification. Proposed rates are as follows:

- Residential from \$24.44 per lot or acre to \$24.74
- Agriculture remains at \$8.50 per lot or acre
- Commercial from \$47.35 per lot or acre to \$47.93

Per Ch. 2001336 Laws of Florida, the fee must be established by resolution of the Board of Directors and approved by a majority vote of the Board of County Commissioners, with each County Commissioner whose county commission residency area lies wholly or partially within the District (District 3 and District 5) voting in the affirmative.
