Requested Action:

It is requested by the Melbourne Tillman Water Control District that the Board of County Commissioners adopt the attached Resolution approving user fees for the Melbourne-Tillman Water Control District for FY 2021- 2022 and authorize the Chair to sign the Resolution.

Summary Explanation and Background:

The user fees requested and recommended by the Melbourne-Tillman Water Control District's Board of Directors represents a 1.234% increase in the FY 2021-2022 rates for Residential and Commercial, and no increase in Agricultural due to the legislative cap on the agricultural classification. Proposed rates are as follows:

- Residential from \$24.44 per lot or acre to \$24.74
- Agriculture remains at \$8.50 per lot or acre
- Commercial from \$47.35 per lot or acre to \$47.93

A Public Hearing to discuss the proposed fees was held within the District boundaries on August 10, 2021. Per Ch. 2001336 Laws of Florida, the fee must be established by resolution of the Board of Directors and approved by a majority vote of the Board of County Commissioners, with each County Commissioner whose county commission residency area lies wholly or partially within the District (District 3 and District 5) voting in the affirmative.
