Requested Action:

It is requested that the Planning and Zoning Board conduct a public hearing to consider a change of zoning classification from AU (Agricultural Residential) to RR-1 (Rural Residential).

Summary Explanation and Background:

The applicant is seeking a change of zoning classification from AU to RR-1 for the purpose of legitimizing a substandard lot and constructing a single-family residence on the property. The lot was recorded in its current configuration in October 1979. The resulting lot is 1.15 acres in size, therefore making it substandard in regards to lot size for AU zoning, which requires a minimum of 2.5 acres. The applicant does not own any adjacent property that could resolve the substandard status.

The proposed RR-1 classification permits single-family residential land uses on a minimum one acre lot, with a minimum lot width and depth of 125 feet, and minimum house size of 1,200 square feet. The RR-1 classification permits horses, barns and horticulture as accessory uses to a single-family residence.

The trend in the surrounding area has been the gradual rezoning of larger AU parcels to commercial and residential zoning classifications that require a smaller lot sizes, then splitting those parcels into smaller lots. Commercial zoning classifications include BU-1 and BU-2, and residential zoning classifications include RR-1 and EU-2. AU is still present in the area on lots above the 2.5 acre minimum lot size, including the lots directly to the west and to the north

The Board may wish to consider whether the request is consistent and compatible with the surrounding area.

The Planning and Zoning Board tabled this item on November 15, 2021, and January 10, 2022, due to the applicant's failure to appear.

The Board of County Commissioners will consider the request on **Thursday, March 3, 2022**, beginning at **5:00 p.m.** at the Brevard County Government Center, 2725 Judge Fran Jamieson Way, Building C, 1st Floor, Viera,

Florida.
