Norfolk Parkway, LLC (Bruce Moia) requests a change of zoning classification from GU with a CUP to BU-2 and removal of CUP. (22Z00006) (Tax Accounts 2802674 & 2802676) (District 5)

### **Fiscal Impact:**

### **Dept/Office:**

Planning and Development

### **Requested Action:**

It is requested that the Planning and Zoning Board conduct a public hearing to consider a change of zoning classification from GU (General Use) with CUP (Conditional Use Permit) for Tower & Antenna, to BU-2 (Retail, Warehousing, and Wholesale Commercial).

### **Summary Explanation and Background:**

The applicant is requesting a change of zoning classification from GU with a CUP for Towers and Antenna to BU-2 (Retail, Warehousing and Wholesale Commercial) and the removal of the CUP for Towers and Antenna, to develop a storage facility with outdoor boat/RV parking.

The BU-2 zoning classification encompasses lands devoted to general retail and wholesale business, contracting and heavy repair services and warehousing activities. This zoning classification also supports the use of outdoor storage as a permitted with conditions use identified under Section 62-1833.5 of Brevard County Code

The applicant has submitted a BDP (Binding Development Plan) proposing limitations including, but not limited to, a 50-foot vegetative buffer, limiting the number of outdoor storage spaces, limiting ingress and egress to Norfolk Parkway, limiting use to a boat and RV storage facility, prohibiting an RV dump station unless sewer connection is obtained, limiting outdoor lighting, providing a traffic study, and prohibiting overnight stays within the stored vehicles.

The developed character of the surrounding area is mostly vacant/unimproved land. To the north is a developed communication tower on GU zoning; further to the north is a developed single-family lot zoned AU (Agricultural Residential). To the east is a vacant GU-zoned parcel and City zoned parcels which mostly seem to be used as a private school/learning center. To the south is the Norfolk Parkway road right-of-way. To the west is a large retention tract/lake for the Sawgrass Lakes community.

The Board may wish to consider whether this request is consistent and compatible with the surrounding area,

and whether the proposed conditions within the BDP help mitigate off-site impacts.

The Board of County Commissioners will consider the request on **Thursday, April 7, 2022**, beginning at **5:00 p.m.** The meeting will be held at the Brevard County Government Center, 2725 Judge Fran Jamieson Way, Commission Room, Viera, Florida.
