In accordance with Section 62-2841(i) and Section 62-2844, it is requested that the Board of County Commissioners grant final plat approval and authorize the Chair to sign the final plat and contract for Village 2, Neighborhood 2.

Summary Explanation and Background:

There are three stages of review for subdivision plan approval: the pre-application conference, the preliminary plat/final engineering plan review, and the final plat review. The pre-application conference for the above project was held on June 9, 2022. The preliminary plat and final engineering plans, which is the second stage of approval, were approved on December 27, 2022. The third stage of review is the final plat approval for recordation. The applicant is posting a performance bond and contract for guarantee of the completion of the infrastructure improvements.

Staff has reviewed the final plat and contract for the Village 2, Neighborhood 2, and has determined that it complies with the applicable ordinances.

This parcel is zoned PUD-DRI under zoning action Z-11528 & 21AA00059. It is located in a DRI District designated by Brevard County's Future Land Use Map. The proposal is for infrastructure improvements on 18.59 acres.

This approval is subject to minor engineering changes as applicable. Board approval of this project does not relieve the developer from obtaining all other necessary jurisdictional permits.
