Legislation Text

File #: 5679, **Version:** 1

Subject:

Board Approval: Interlocal Agreements Between Brevard County and the Cities of Cocoa Beach and Titusville for Automatic Aid

Fiscal Impact:

None

Dept/Office:

Public Safety: Brevard County Fire Rescue

Requested Action:

It is requested the Board approve the attached interlocal agreements with the City of Cocoa Beach and the City of Titusville for automatic aid and authorize the Chair to execute the agreements and delegate to the County Manager the authority to execute amendments or renewal options as outlined in the agreements.

Summary Explanation and Background:

The interlocal agreements allow for both agencies to respond with the closest available apparatus and personnel to the other's emergency, regardless of jurisdiction, in an effort to provide a more timely and effective response. Approval of the agreements will result in increased interagency first responder capability, while meeting the County's vision of providing for the health of our citizens.

Cocoa Beach City Council approved the agreement at their Council meeting on April 6, 2023.

Titusville City Council approved the agreement at their Council meeting on March 28, 2023.

Clerk to the Board Instructions:

Please return the fully executed interlocal agreements to Janine Ernst, Brevard County Fire Rescue, for recordation in the Official Record Books.
