Requested Action:

In accordance with Section 62-2844(b), it is requested that the Board of County Commissioners adopt the attached Resolution and authorize the Chair to sign the Resolution releasing the Contract and Surety Performance Bond dated April 19, 2022 for the above referenced project.

Summary Explanation and Background:

The Adelaide Subdivision, Phase 6A is located within the Viera Development of Regional Impact (DRI), west of Stadium Parkway off of Lake Adelaide Place and contains portions of the roadway named Milost Drive and Upper Floridian Way. The proposed subdivision allows 27 single family lots on 22.39 acres.

The Adelaide Subdivision, Phase 6A received preliminary plat and final engineering plans on July 20, 2015, and final plat and contract approval April 19, 2022. The developer posted a Surety Performance Bond for guarantee of the completion of the infrastructure improvements according to the approved plans.

Per Section 62-2809(b)(2), "Construction after final plat recordation: ...the applicant shall provide security required in Section 62-2844 for the performance of such construction..." Section 62-2844(a) states: "An applicant shall be required to secure its performance security of the construction required under this article by a surety bond, letter of credit, savings account, certificate of deposit or execution of a tri-party escrow agreement. Such security shall not be required if a certificate of completion has been issued for all the subdivision improvements prior to final plat recordation." Because the applicant chose to plat the subdivision prior to completion of construction, the applicant entered into Contract with the Board and posted a Surety Performance Bond to guarantee the completion of the infrastructure improvements according to the approved plans.

As of May 1, 2023, the Adelaide Subdivision, Phase 6A infrastructure improvements have been completed.
